INSTRUCTION PROCEDURE AND METHODOLOGY

This class will be conducted in face-to-face sessions. All students will participate in class discussions, formal presentations, and in-class exercises. Short oral presentations may also be required in conjunction with homework assignments and in-class discussions. Assignments will be given weekly and may consist of textbook exercises and research questions. Students must complete all assignments and take all quizzes, mid-term exam and final exam on **the specified due dates**.

Plagiarism will result in the grade “F” and a report to the administration.

Students are expected to utilize their personal laptop computers, the computer lab, and the resources available in the school library (when they are at the Lincoln University campus).

Assignments and projects require students to actively use resources of the library. Detailed guide to business *resources of the library* as well as the description of Lincoln University approach to *information literacy* are available at the [LU Library](http://lincolnuca.libguides.com) website (lincolnuca.libguides.com).

ATTENDANCE

Students are expected to attend each class session. If you cannot attend a class due to a valid reason, please notify the instructor prior to the class, or soon after the conclusion of the class.

CLASS PROJECTS

Project work is designed to familiarize students with an industry, product, or technology of their interest. Projects may be assigned individually, and/or as group activity. If a number of students work together on a group project, the score for the project report and presentation may not be the same for all members of the project team. The Final Report for a group project will be turned in as a formal electronic document. All sources of content in a project report must be referenced. APA standard is recommended for formatting and organizing project reports.

EXAMINATIONS

Both, mid-term, and final exams will include questions from the chapters taught in the class from the mentioned textbook.

Both examinations will be conducted in-class. It can be either essay questions or multiple-choice questions (MCQs). Not Open Book!

TIME SPENT ON OUT-OF-CLASS WORK

The estimated time which a student should spend on out-of-class work/assignments in this course is 6 hours every week (about 90 hours for the course).

GRADING AND SCORING

All assigned work, and class activities will be graded by following the guidelines/criteria presented below:

POINT SCORE

The course grade will be based on the total number of points scored by a student. The allocation of the total of 100 points to various gradable out-of-class assignments and class activities is provided in the table below:

Activity/Task	Time/Schedule	Points (Total:100)
On-line Discussions	Weekly, with some exceptions	16
Group Project	First half of Class Schedule	24
Mid-term Exam	In the middle of Class Schedule	30
Final Exam	Last week of the class	30

COURSE GRADE

The points needed for securing a given course grade are shown in the table posted below:

Grade	A	A-	B+	B	B-	C+	C	C-	D+	D	F
Points	94-100	90-93	87-89	83-86	80-82	77-79	73-76	70-72	67-69	60-66	0-59

If both grades for the midterm and final exams are “F”, the term grade for the course will be 'F' regardless of the grades for the project and classroom activities.

MAKE-UP WORK

Assignments are to be completed on time during the course. Late assignments will result in a reduced grade. Mid-term and final exams and group presentations cannot be made up if missed, unless there is a documented emergency.
