## **CATALOG DESCRIPTION**

The course objective is to prepare the student for the later BA 399, MBA Research Project. Emphasis is on practical work and not on memorizing or deriving formulas. Ethical aspects of research are featured. Students are expected to develop understanding and practice in research techniques, writing of short reports, use of statistical tools and presentation techniques, preparation of effective tables and diagrams, as well as footnotes and bibliographical references. (3 units)

Prerequisites: BA 45, BA 301, BA 304, BA 320

#### **COURSE OBJECTIVES**

To introduce students to research, its goal, purpose and methodology. Students will learn how to identify and select a research problem, write a proposal, design and conduct research, write a report, make a presentation, and defend the project. Learning objectives are:

- To understand the nature of a business problem and translate it into a research problem.
- To learn major phases and steps in the research process
- To learn how to do research designs, and use data sources.
- To become familiar with major research methods in business such as sampling experiments, hypothesis testing, comparative analysis, and cyber intelligence
- To learn how to select samples and get familiar with general measurement issues.
- To understand fundamentals of survey research and basic methods of communication
- with respondents.
- To learn how to write reports, make presentations, and defend research projects.

## PROCEDURES AND METHODOLOGY

Lecture method is used in combination with a supervised business case study. The emphasis will be on learning by doing. Every student must participate in an intensive classroom activity

#### **COURSE PROJECT**

Every student must complete and submit a research proposal as a course project.

# REQUIREMENTS

Continuous assessment is emphasized. Written or oral quizzes will be given every week. Reading, writing and "business case study" assignments will be made throughout the course. Students must complete all assignments and take all quizzes, mid-term exam and final exam on the dates due. Plagiarism will result in the grade "F" and a report to the administration

### **ATTENDANCE**

Students are expected to attend each class session. If you cannot attend a class due to a valid reason, please notify the instructor prior to the class.

## **EXAMS**

Both, midterm and final exams are structured as written essay to answer to the given questions. The essay must be written structurally with clear logical presentation of the answers. Graphs, charts, tables, and other supporting illustrations are required if needed. Examples to illustrate the answers are required.

Exams will cover all assigned chapters, any additional readings or supplementary materials covered in class. The exams are neither "open book" nor "open notes."
